CONSEIL DE L'EUROPE

International cooperation

Gilles Maillet, FDJ, member of the French National Platform

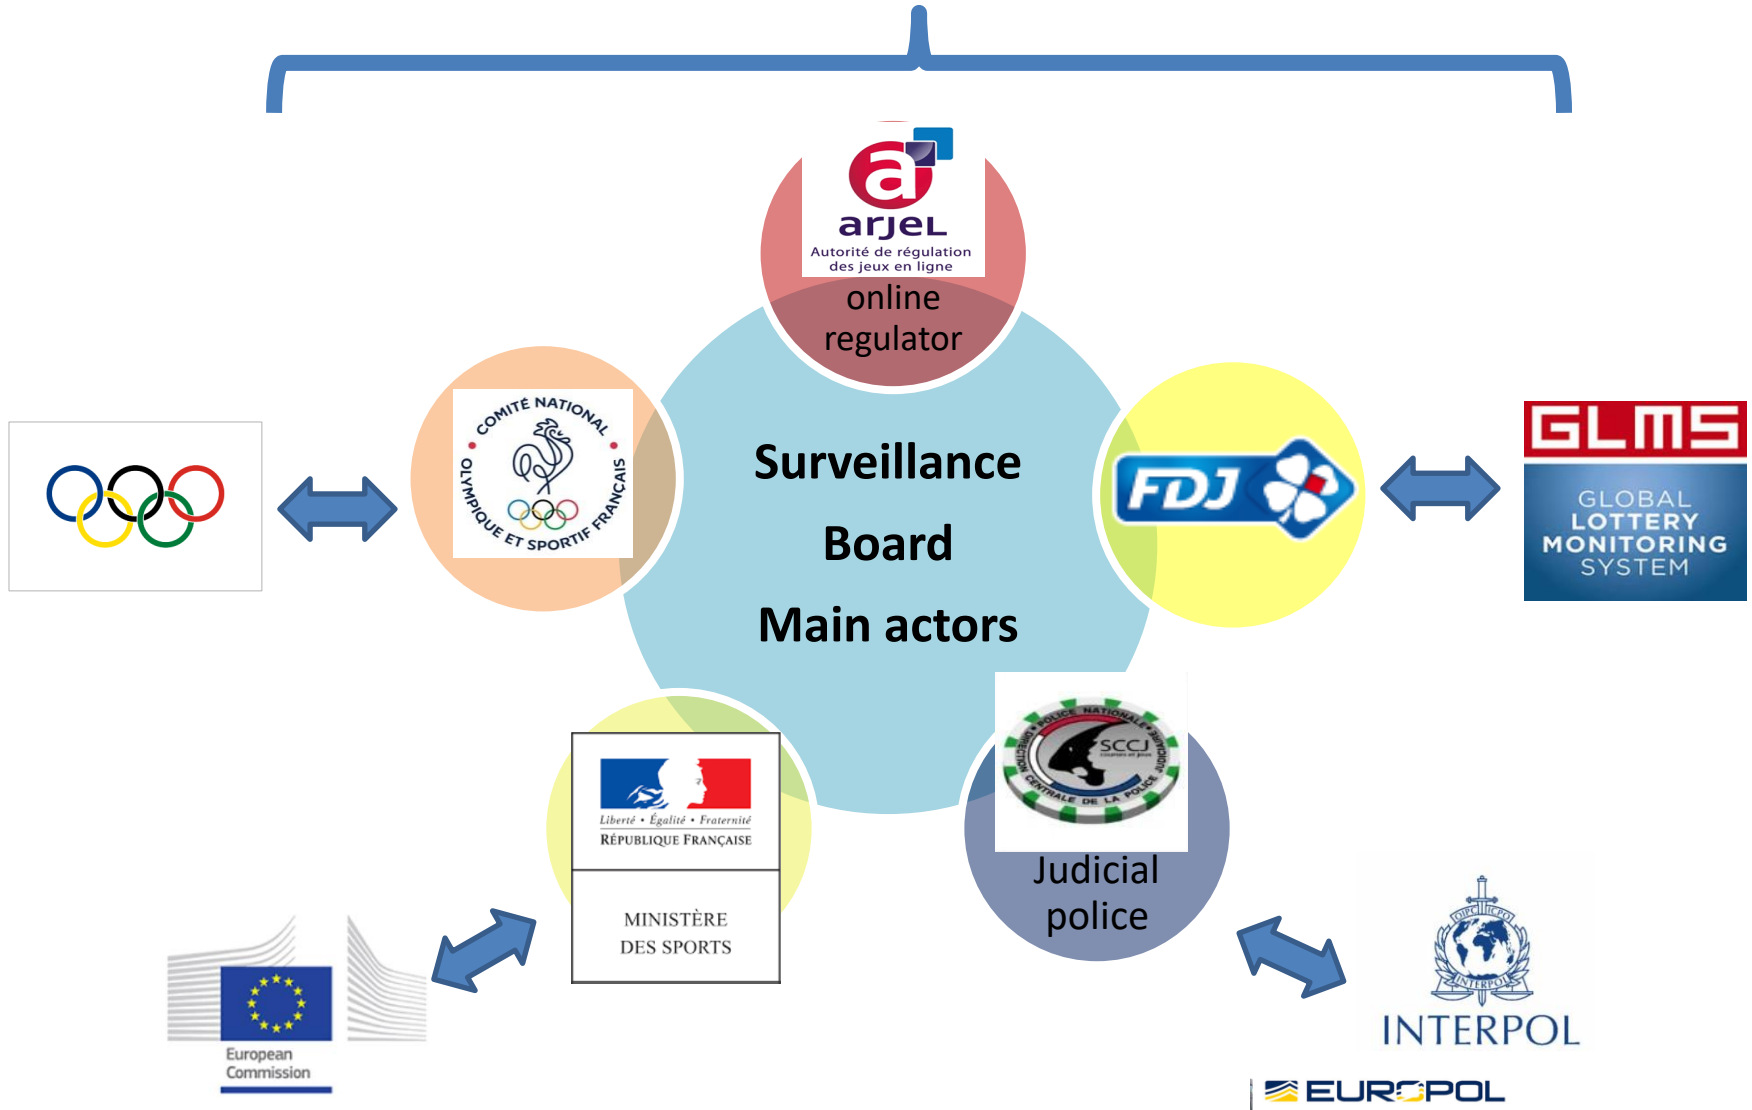

3 good reasons to understand why international cooperation is key !

- ✦ **85% of worldwide sports betting market is illegal, opening door to Crime**
- ✦ **The sports betting market has no borders : you can bet on thousands of competitions**
- ✦ **You can organize sport manipulation at distance : Crime has no borders as well**

International networks of the French national platform :

Group of Copenhagen

Monitoring international sports betting market behaviour is key ...

- ✦ **Evolution of worldwide odds, volumes of transactions...**
- ✦ **...help monitoring sports competitions**

GLMS is a unique global monitoring tool organised by World lotteries

- 31 lottery-members throughout all continents (Chile, Uruguay...)
- Is the sport integrity flagship of European Lotteries and World Lotteries associations
- Allows to detect and analyse risks of competition manipulations on a global basis
- Provides international sports organisations and public authorities with monitoring alerts and reports : IOC, FIFA, UEFA, TIU, La Liga, ARJEL, UK gambling commission...
- Shares prevention programs between members, to help raising awareness of match-fixing for all actors of sport
